Dear Reverend Everett:

Thanks very much for your letter of November 8th and particularly for the copy of your excellent speech. Its basic statement on human rights is clearly in line with the basic principles and deep concerns of President Carter. It is gratifying for all of us in the Administration who work on behalf of human rights, to hear the views of our fellow citizens and to find that they are supportive of our efforts at implementation.

With best wishes,

Sincerely,

Patricia M. Derian
Assistant Secretary for
Human Rights and
Humanitarian Affairs

John H. Everett,
